

**OUR PURPOSE**

“SPASA Australia is dedicated to maintaining and improving the standards and growth within the swimming pool and spa industry for the betterment of members, consumers and the industry in general”

**PEOPLE** TRAINING & EDUCATION PROFESSIONALISM 

SPASA helps increase member professionalism and credibility, by facilitating industry training and assessment on a regular basis via its RTO and other recognised education partners

**MEMBER SERVICES** PRODUCTS & SERVICES BENEFITS 

SPASA enables members to take advantage of exclusive benefits, products and services through its alliance with key partners and sponsors, helping them expand and differentiate their business

**PROMOTION** COMMUNICATIONS MARKETING 

SPASA provides lead generation for members through various media outlets including print, digital, radio, television and other consumer focused promotional and awareness activities

**REPRESENTATION** ADVOCACY INFLUENCE 

SPASA fights for and protects its members, with industry representation in relevant Federal and State government forums and lobbies on legislation that affects our industry
